No Measures Yet Devised to Stop Practice in England.

men and women, is causing serious and growing concern. No measures yet have been devised to stop the habit, which Hester, and her sen, Howard, have arrapidly is becoming more and more of a rived from Washington, D. C., to remain menace. On all big races practically for several weeks with her parents, Mr. everybody, from the newsboy on the street to the peer in his motor, has another daughter, Miss Genieve Lamson, something on his favorite horse, and even the summer vacation. on the everyday race an immense amount in the aggregate is wagered. Latterly it has been disclosed that women working in offices and restaurants in the city have become as inveterate gamblers as the men and boys. Nowadays both men and women, during the afternoon hours, are distracted from their for the summer. work by their anxiety over the results of the races, and employers complain in

of curbing this increase in the betting commencement, and left here for Fairlee habit, passed a law prohibiting commisto join his daughter. sion agents from accepting money on a bet, but this was easily evaded by the agents carrying wagers on a credit system, settling once a week. As the system works to-day, any boy with a shill-ing to bet on a horse can go to almost any newspaper seller and get his money down. Another measure to overcome from the workingman, who claimed for himself the same privileges and oppor- J. B. Eldredge and other friends. himself the same privileges and opportunities accorded his wealthy neighbor, Mrs. Bertha Burridge and her sister, who can wager as freely as he likes by either going to the track or telephoning day night for Salt Lake City, where his commission agent.

bling is spoiling golf. At most of the Colorado Springs. After the convention big clubs to-day, members well not play they will visit Yellowstone park. John M. unless assured of a good side bet on Connolly, a former Randolph boy, will a round, but at some clubs a game is England, N. D., where he and his brother seldom played for less than \$25, \$50, or are proprietors of the Hettinger County even \$100 a round. The professional, Herald. too, who gets his fee for taking a novice Mrs. around, now wants a wager on the result. Even if he gives the novice all he deserves, the professional generally

COMMONS POWERLESS

In Dealing with Interruptions by Out-

Prime Minister Asquith in the House of Commons, when a young man associated the 29th. with the suffragettes threw a bag of flour at him, has again drawn attention to the awkward situation of the House in dealing with such interruptions.

The House of Commons can summon

to the bar and examine and cross-examine those who offend against its rules, but any proceedings of this kind must for a week at the Wheeler cottage with have the formalities of a trial and would Dr. and Mrs. G. A. Wheeler of Boston. involve the right to deilver to the House Mrs. C. R. Lacey of Freehold, N. Y., speech in defense. In the view of arrived here with the government, a defensive address thus Metzger, who has been with her for delivered would be too big an advertise- the last three weeks, and early next ment for the cause, so any action along this line has been avoided. Of course, Mr. Asquith could take out a summons week the party, including Mr. Metzger, Warren Palmer, Lewis Sklinski, Dr. W. Will go into camp at Milton, occupy J. Howard, S. P. Bonnette, R. J. Mc-market and the cottage of E. A. Thomas at Allister, Henry Bettis, Frank Bettis, for assault, but as he would then have Camp Rich, where they will remain for Rev. C. M. Redstone, A. E. Farr, Henry him, as in riding. As is well known, to appear as a witness in a police court the rest of the month. would be subject to cross-examination, there is no possibility of his taking are guests of Mr. and Mrs. E. A. Heath this step. The outcome, especially if there appears any danger of a repetition of the disorder, is likely to be the closing of the strangers' gallery, as was

done last year. The government, some years ago, gave the House an opportunity of increasing its powers to deal with such offenders, Neff. but probably for fear that it might interfere with demonstrations by members field were taken here on Tuesday to the themselves, the proposal was voted
